Callibrate ‘Wee’ BANDER™

701-282-3255 • 800-437-4064
802 West Main Ave
West Fargo, ND 58078
**White’s Emasculator**
Has extra crushing area. 12" long. Stainless steel.
Item: 780782

**Small Emasculator**
*Double Crush*
For crushing of the spermatic cord in small calves, sheep, swine and colts. 9" long, stainless steel.
Item: 2817195

**Newberry Castrating Knife**
Used for castration. Both testicles are exposed and are easily removed. Can be used on any size animal. Stainless steel.
Item: 843083 - knife
Item: 849588 - blades

**Castrating Tool**
Safe, sure way to castrate calves and lambs. Works effectively with the castrator bands sold below.
Item: 128619

**Castrator Bands**
Rubber rings.
Item: 127507 - package of 100

**California Bander**
You have never used a banding castration tool as easy as this one. Applying the bands take just seconds. You gain the advantage of delayed castration, and you gain again with a lower cost of castration.

**Application Tool**
Item: 4277333

**Bands 25’s**
Item: 4277341

**Callicrate Bander Kit**
Features "built-in brains" that sense proper tightness every time, regardless of operator or the size of the animal. Weather and pen or pasture conditions are not a factor. Feed consumption and gains are not affected. The Callicrate loop and clip unit makes the job fast, easy and convenient.
Item: 26824
Item: 26662 - 25 callicrate loops

**XL Bander**
The XL Bander is designed for bulls weighing from 250 to 750 Lbs. Bands open to 4" X 3" X 3". This applicator requires no tightening of any kind; simply open, put in place and release.
Item: 5018489 XL Bander Kit
Item: 5018490 XL Bander Rings

**EZE Bloodless Castrator**
*Wadsworth MFG*
Bloodless castrating tool is easy to use. Will not interrupt rate of gain and allows minimum stress and discomfort to the animal. Applies a latex ring around the scrotum and pulls it extremely tight, cutting off the blood supply. An aluminum clip secures the constriction. A built in knife cuts the latex ring. Each application can easily be performed in 10-20 seconds. Can be used on cattle, sheep and goats. Works best on 250 lb calves and up. Kit contains latex rings & clips to do 25 animals.
Item: 4277066
Latex rings with clips 25 each
Item: 4277074

**EZE Castrating Tubing**
Item: 4277562 - 50 ft roll
Item: 4277104 - 50 clips

**Disposable Scalpel**
Sterile surgeon’s blade and handle packed in sealed container. Available in #20 and #12 blade. (#20 pictured)
Item: 121282 - #20 knife
Item: 9253 - #12 knife (hook)
Item: 121279 - #22 knife

**Scalpel Kits**
One #4 scalpel handle with ten #22 blades.
Item: 3703134 - Scalpel Kit
Item: 3703290 - #22 Refill

**Callicrate WEE Bander Kit**
Item: 5030922 - Bander Kit
Item: 5030923 - Loops Bag/25
Item: 5033286 - Prolapse Band

**Tri-Bander**
The Tri-Bander is designed for bulls weighing from newborn to 350 pounds. Band opens to 2 1/2 " X 2 1/2 " X 2 1/2". Tri-Bander Bands also work on standard pliers and are twice as strong as the green bands. This applicator requires no tightening of any kind; simply open, put in place and release.
Item: 5001766 Tri-Bander Rings
Item: 5001765 Tri-Bander Tool
Phillips Semi-Auto Syringe
50 mL syringe accurately delivers a preselected dose ranging from 1-5 mL. 25 mL syringe ranges from ½-2½ mL. Designed for administration of most vaccines and injectable solutions. Needle storage in the handle, adjustable dosage.
Item: 4409884 - 25 mL
Item: 4409892 - 50 mL

Ideal Pistol Grip 50 mL Syringe
Chrome plated brass rapid fire syringe allows for up to 50 injections before reloading. Repetitive doses of 1 mL, 2 mL, 3 mL, 4 mL, or 5 mL. Available with rubber plungers.

Megahshot Syringe 50cc
Item: 17671
Barrel & Rubber Plunger Kit
Item: 4426037

Hauptner 50 mL Syringe
Jorgensen
Famous for its accuracy & correct dosing. Features a smooth-action, pistol grip handle for easy dosing and a lightweight aluminum frame with a glass see-through barrel.
Item: 10073
Item: 79502 - Glass Barrel
Item: 80126 - Plastic Barrel
Item: 4263871 - Metal Cover

Nylon Syringes
Unbreakable nylon with etched ml markings that won’t rub off. Autoclavable to 150° F. Designed for one hand operation. Easy to take apart and clean. Luer lock and luer slip combination. Metal plunger rod.
Item: 75116 - syringe 50 cc
Item: 73873 - syringe 30 cc
Item: 10081 - syringe 20 cc
Item: 9962 - syringe 10 cc

Roux Syringe 50 mL Pistol Grip
Imported from Germany and adjusts from 1 mL to 5 mL repetitive dose. Chrome plated with stainless steel piston rod and glass barrel.
Item: 9792
Item: 843091 - replacement barrel set

Phillips Repeater Syringe
50 cc syringe accurately delivers a preselected dose ranging from 1-5 mL. 25 mL syringe ranges from ½-2½ mL. Chrome metal and Lexan construction. Locking mechanism prevents air or contaminants from entering the syringe. A grip delivers medication when pressure is applied to the back of the grip. This gives a more natural motion when giving injections.
Item: 24295 - 25 mL
Item: 24678 - 50 mL

Simcro Syringes
Accurate and adjustable repeat dose v-grip regular and bottle mount syringes. Administer injections as small as 0.2 mL and up to 6.0 mL, repetitively. Metal luer lock tip. Includes larger collar to accommodate 250 mL bottles. Unique piercing spike designed to drain the last drop from the bottle. Corrugated barrel provides strength and durability.
Item: 5018598 - 2 mL, V-Grip
Item: 5025143 - 5 mL, V-Grip
Item: 5026423 - 2 mL, V-Grip Bottle
Item: 5026424 - 6 mL, V-Grip Bottle

Slap-Shot
The easiest way to vaccinate livestock. Designed out of necessity for those who vaccinate livestock and do not have elaborate containment. Excellent for animals that flinch or move because the flex tubing keeps the needle intact and reduces stress on the animal and handler. Works great with auto-fill syringes and is affordable.
Item: 4276744 - 30" for adult cattle/swine each

Allflex Syringe
50 cc syringe accurately delivers a pre-selected dose ranging from 1 to 5 mL. 25 cc syringe ranges from 0.5 - 2.5 mL in 0.5 mL increments. Chrome Metal and Lexan construction. Special locking mechanism prevents air or contaminants from entering the syringe and a grip delivers medication when pressure is applied to the back of the grip, which gives a more natural motion when giving injections. Color coded knobs let you assign specific syringes to a specific vaccine or antibiotic. Colored knobs help to avoid mistakes when using more than one syringe at a time.
Item: 5034073 - 25 mL Allflex syringe
Item: 5034074 - 50 mL Allflex syringe
Disposable Needles

*Ideal*
Good quality disposable needles with aluminum hub. Individually packaged. Sterile. Specify size: 14, 16, 18, or 20 ga x 5/8” - 1 1/2”

- Item: 5026258 - pkg of 5
- Item: 5013945 - 16 ga x 3/4” box of 100
- Item: 5013943 - 16 ga x 1” box of 100
- Item: 5013941 - 16 ga x 1 1/2” box of 100
- Item: 5013951 - 18 ga x 1” box of 100

Stainless Steel Needles

*Ideal*
Hubs designed for easy handling with wet fingers. Each needle has a hard-ground, straight taper, non-plugging point. Sharper than most other needles. Any dozen:

- Item: 19909 - 14 ga x 1 1/2”
- Item: 19577 - 14 ga x 1”
- Item: 19402 - 14 ga x 3/4”
- Item: 19240 - 14 ga x 1/2”
- Item: 20729 - 16 ga x 1 1/2”
- Item: 20400 - 16 ga x 1”
- Item: 20249 - 16 ga x 3/4”
- Item: 20079 - 16 ga x 1/2”
- Item: 21717 - 18 ga x 1 1/2”
- Item: 21385 - 18 ga x 1”
- Item: 21210 - 18 ga x 3/4”
- Item: 21059 - 18 ga x 1/2”
- Item: 23337 - 20 ga x 1”
- Item: 23175 - 20 ga x 3/4”
- Item: 23019 - 20 ga x 1/2”

Suture Needles

Styles half circle, and 3/8 circle available in small, medium and large. When ordering state style and size.

- Item: 2008092

5” Double Curve Needle

5” Double Curve needle to use with 3/8” umbilical tape, for prolapse repair.
- Item: 5584

Umbilical Tape Suture

Braided umbilical polyester tape. 20 yards
- Item: 92681 - 3/8” roll
- Item: 87939 - 1/8” roll

Disposable Syringes

*Ideal*
Good quality three-piece disposable plastic syringe with dual ring plunger and defined graduations. Individually packaged. Sterile. Specify luer lock or luer slip.

- Item: 5014014 - box of 100
- Item: 5011457 - box of 100
- Item: 5011458 - box of 100
- Item: 5009378 - box of 50

Magrath Transfer Needle

Designed for ease of fluid transfer from one vial to another. Stainless steel 14 gauge double pointed cannula with flat metal formed thumb saddle for user convenience.

- Item: 74314

Double Pointed Transfer Needle

Used as an easy method of adding the diluent to the vaccine.

- Item: 831530

OB Wire

Available in an 11 yard roll.
- Item: 837016 - roll
- Item: 836640 - 2/set

I.V. Set

Simple and durable. Complete with gum rubber tubing, adapter to fit any standard neck bottle, breather tube air-vent, and needle. Easily cleaned.

- Item: 24007

Disposable, Set

- Item: 2115735
**Surgical Scissors**
Auto clave able. 6" long. Stainless steel. Sharp-Blunt
Item: 2006502

**Balling Guns**
American made, chrome plated brass head, bolus retaining spring, connecting tube and inner rod are anodized heavy-wall aluminum. Top rings are zinc die casting that have been chrome plated. Farmers Balling Guns have 1" inside diameter head. Calf, Colt, & Sheep Balling Gun has 5/8" inside diameter head.
Item: 24503 - farmers
Item: 24619 - farmers with plastic head
Item: 5016992 - calf

**Pistol Grip Balling Gun**
A labor saving device that delivers up to six 240-grain boluses at one time without reloading.
Item: 2022508

**Vet Thermometer**
Heavy Duty 5" vet thermometer with ring top and plastic carrying case. Dual scale in F and C readings.
Item: 27375

**Digital Quick Temp Thermometer**
A rapid, easily read and accurate reading of the temperature of all animals. Particularly useful for diagnosing hypothermia in calves and lambs.
Item: 4280512

**Trocar, Wood Handle**
Plain canula.
Item: 839094 - oval J40
Item: 25828 - ID352 SS trocar

**Corkscrew Trocar**
A new vinyl instrument that provides a semi-permanent rumen fistula in cattle, sheep, and goats when inserted into the left paralumbar fossa for the relief of bloat and rumen tympany.
Item: 839051

**Disposable Obstetrical Gloves**
High quality 1¼ mil disposable five-finger sanitary obstetrical gloves. 36" length. Packed in handy dispenser type box. Shoulder length.
Item: 5019463 - box of 100

**Heavy Duty Obstetrical Gloves**
High quality 1¼ mil disposable sanitary obstetrical gloves. Shoulder length, 34".
Item: 12246

**Drench Stomach Pump**
Suction pump, or injection pump, or stomach pump.
Item: 848034

**Stomach Tube**
10' long Koroseal stomach tube (7/8" OD, 3/8" ID). Non-injurious to patient.
Item: 25925

**Cattle Speculum**
Ideal Stomach tube guide, heavy steel with reinforced ends, for passing stomach tube on large animals.
Item: 839035

**Artery Forceps/Needle Holder**
For use in tying off arteries or pulling arteries after dehorning. For use in suturing wounds or tissues following operations. 5½" long, stainless steel.
Item: 89834 - straight.
Item: 89702 - curved
Item: 844470 - artery forcep

**Ear Notcher**
Cuts, cleanly for quick, efficient ear markings. Size of notch can be varied by using the tip of the die at desired depth, up to a maximum for each size notcher. Medium and large notchers have adjustable depth gauge to set depth of cut. Strong, light-weight die cast aluminum. SMALL-Ideal for baby pigs. 5/16" at base-MEDIUM-1/2" at base-LARGE-13/16" at base.
Item: 36242 - LG V Ear notcher
Item: 36404 - Med V Ear notcher
Item: 36579 - SM V Ear notcher
Item: 4015306 - TNT 92-600PF

**Kleenguard G10 Thin Mil Nitrile Gloves**
Latex-free and designed for tasks requiring maximum dexterity and tactile sensitivity. Non-sterile, beaded cuff, textured fingertips, ambidextrous, 9½" in length, 3.5ml thickness. Sizes S-L, 150/box. Size XL, 140/box.
Item: 97821 - small
Item: 97822 - medium
Item: 97823 - large
Item: 97824 - X-large
Obstetrical Chain Handle

½” diameter, poly coated grip. The larger diameter and comfortable grip make difficult births easier on your hands.

Item: 25658

Obstetrical Chain

To aid in difficult calf births.

Item: 25488 - 60"
Item: 25313 - 30"

Stone OB Chain

Stone OB chains are the strongest in the industry made of high quality, smooth, nickel plated steel and twist-link type. Constructed and tested to withstand 1200 lbs or more of pull. Long lasting and easily sanitized.

Item: 5024957 - 30"
Item: 5024958 - 60"

45” OB Strap

Less painful than old style, won’t break legs, easily cleaned and stays pliable.

Item: 4336062

Calf EZE Fetal Extractor

Dr. Frank’s

Provides dual action instead of single pull. Superior to ratchet style pullers that rely on awkward grooved shafts with sharp edges and hard to clean grooves. Utilizes the same non-slip cam traction system as the Dr. Frank’s Fetal Extractor, but with two pulling points that alternately advance to shift the pull from one leg to the other. A third chain hook is provided to give single pull option.

Item: 20060 *FOB ship weight 22 lbs

Dr. Frank’s Calf Puller

Cast iron housing and handle friction type jack with two all-steel one-piece cams. Two rods that screw together for additional length.

Item: 19453 *FOB ship weight 22 lbs

Ratch-A-Pull Extractor

Variable side-to-side pull for maximum control and maneuverability. Provides straight, consistent pulling action. 77” solid steel rod provides long, continuous pull, eliminates need for re-attaching chains. Deep grooves on pole provide positive locking to prevent slippage of ratchet, or damage to pole. Heavy-duty construction. Pole threads together at midpoint for easy breakdown and assembly. Smooth, precise craftsmanship. Precision hook design grips OB chain securely. Ratchet is capable of 1,400 lbs pull.

Item: 5011308 *FOB ship weight 22 lbs
Item: 5024957 - 30” Stone Chain
Item: 5024958 - 60” Stone Chain

Save-A-Calf Snare

The most practical instrument for assisting in difficult birth in cows. Made of steel cable and metal thimble to allow for use of Obstetrical Hook. Sliding yoke can be removed for cleaning.

Item: 24783

Aluminum Kalf Katch

New exclusive spring button feature allows Kalf Katch to lock in at 5 ft. and release button to extend to 10 ft. Hook eliminates kickout and is good up to 250 lb calf. Kalf Katch is quicker and easier than a rope. The hook eliminates kickout, the calf’s back leg is held securely. Kalf Katch is lightweight 3 lbs, and fits behind a pickup seat. Interchangeable screw in hooks for hogs and sheep are also available.

Item: 3980286

Stethoscope

Jor Vet

Dual head stethoscope to amplify both high and low resonance sounds. Professional quality. Superior clarity and sound amplification. Gray.

Item: 838691
Barnes Dehorner
Cutting blades of high grade steel. Tool does a good clean job of dehorning calves from 2-8 months of age.
Item: 25984 - small
Item: 26158 - large

Horn Stop Rechargeable Dehorner
Safe and clinically precise; cauterized ring around base arrests horn growth in young calves. Simple, one handed operation; heats only when pressed against horn bud. Fast, efficient method; less than 10 seconds per bud. Cordless, rechargeable device; dehorns up to 15 calves per charge. Can be used winter or summer. Comes complete with auto-timed 110 and 12 volt charger.
Item: 2948435

Bull Leader
Made of iron, smoothly ground, nickel plated.
Item: 26247
Item: 26425 - with 15” chain

110 & 220 lb Portable Hanging Scales
100 lb scale can be carried for use anywhere needed. Equipped with heavy-duty straight spring balance for reliable accuracy.
Item: 14850* - 110 lbs
Item: 15164* - 220 lbs
*FOB ship weight 5 lbs

Calf Weighing Sling
Sling is constructed of heavy nylon mesh and measures 19½” x 12”. Easy to clean, will not rot or deteriorate.
Item: 2814285

Electric Dehorner
Tubular, rod-type element heats red hot in 90 seconds. Inside diameter of circle is 1”. Easy to use – no blood loss. Insulated handle keeps operator’s hands cool. 115/120 v AC or DC. 10’ three wire grounded cord. 270 watts.
Item: 2422689 - 55 A dehorner 1”
Item: 2422697 - 55 S dehorner 3/4”

Electric Dehorner
Automatic heat control maintains heat at 1,000°F for fast, easy use. No blood loss or open wound. Perforated housing keeps handle cool. 110 volt AC with three wire grounded cord.
X-30 Dehorner
For use on smaller calves. Solid copper tip. (9/16” Id and 13/16” Od.) Approximately 135 watts.
Item: 28215
Item: X-50A Dehorner
Not recommended for small calves. Approx. 240 watts.
Item: 28355

Stock Doctor
Medicating System
Less stress on animals. No more head gates, no more chutes, no more restraining the animals. For stress-free range doctoring.
Item: 4253272* - complete
Item: 4252950 - needle
Item: 4252764 - syringe
*FOB ship weight 10 lbs

Merck Veterinary Manual
A concise, authoritative handbook of diagnosis and therapy that no veterinarian or professional farmer should be without. 10th Edition.
Item: 25194
Air Pump Rifle - Breech Loading Pneu-Dart Model 178B

This air rifle is for the person that has limited or occasional use for an immobilizing gun. Its design is simple but effective.

- Stock and Action - Benjamin Sheridan
- Overall Length - 41"
- Dart Barrel - .50 cal. Smooth Bore
- Sights - Open
- Weight - 7 lbs.
- Range - 5 to 40 yards with 1cc Type ‘P’ Disposable darts

Disposable darts controlled by number of pumps and power control on rear of bolt. Min. 1 pump, Max. 8 pumps.

Item: 4919351
*FOB ship weight 10 lbs

CO2 Rifle - Breech Loading Pneu-Dart Model 176B

This rifle is a CO2-operated dart projector recommended for close range shooting. It is ideal for penned animals and for use in populated areas such as for dog control. Under ideal conditions (no wind) these projectors are accurate to 40 yards. By using the power control valve, caged animals can be shot as close as two feet without injury.

- Stock and Action - Benjamin Sheridan
- Overall Length - 41"
- Dart Barrel - .50 cal. Smooth Bore
- Sights - Open
- Weight - 7 lbs.
- Range - 2 feet to 40 yards with 1cc Type ‘P’ Disposable darts
- CO2 Pressure Control – Knurled knob on rear of bolt

Item: 4919343*
*FOB ship weight 10 lbs

Type ‘P’ Pneu-Dart Disposable Darts

For use with our smooth bore CO₂ Air Guns and Blo-Jectors. These darts are appropriate for use on small or large animals. Note: All ‘P’ darts are now available with “Flight Stabilizers” which assure a snug fit in other brands of tranquilizer guns. Sold in packages of 5.

Item: 17604 - Dart fill 20ga x 2” needle
Item: 4919386 - 2 cc practice darts
Item: 4919378 - CO2 cylinders, pkg of 5
